Re: *United States v. David Valerio*, 21 Cr. 673 (ALC)

Your Honor:

I write with the government's consent respectfully to request that the sentencing scheduled for August 18 be adjourned until September 8, 2022, at 3:30 pm. I understand from Ms. Hunter-Hicks that that is a date and time when the Court is available, and the parties are as well. The reason for the request is that there has been a slight delay in the PSR and, even on the original schedule, the final disclosure will not arrive until after the defense sentencing submission is due. I spoke with AUSA Aline Flodr, who consents to this request. I met with Mr. Valerio yesterday and he also consents to this request. Thank you for your consideration.

Respectfully submitted,

/s/ Benjamin Silverman
